On graph paper (available in City Office), draw to scale. Locate lot lines and measure from the lines to the location of services. Plot on the grid the location of the service and indicate distances. This information will greatly help owners of buildings to find services which may need repairing in the future.

**WORK CANNOT BEGIN UNTIL THE PERMIT APPLICATION IS APPROVED, AND THE FEES ARE PAID.**

Plumbing Permit - \$25.00; connection fee of a minimum of \$150.00 (may be higher depending on the actual cost of connection)

Sewer Permit - \$380.00 for residential sewer permit and connection

Sump Pump Permit – NO CHARGE
